### The Exquisite, Rare & Limited Tasting

- **Jax's Gold - Siegerrebe:** Prepare to be captivated by one of the rare gems of the wines world. With only a dozen or so vineyards, including ours, crafting wines from this elusive grape, this is a true gem. Savour its enticing aroma before taking a sip, and discover a unique explosion of fruity and savoury flavours unlike any other. This exceptional wine pairs beautifully with robust cheeses and Thai curries.
- **Jax's Tipple - Ehrenfelser:** Experience the elegance of Ehrenfelser, a grape boasting a global presence of just 120 hectares. This captivating wine, reminiscent of Riesling yet distinctly its own, offers a delightful balance of sweetness and acidity with a

crisp, dry finish. It pairs exquisitely with fish, chicken, and even spicy dishes. Remarkably, in Australia, Every Man and His Dog Vineyard is the only place you can find this rare treasure.

- **Jax's Sweet - Eiswein:** For a truly decadent finale, explore the world of cool climate sweet wines with our Jax's Sweet - Eiswein. Imagine a delightful symphony of sweetness and flavour. The grapes, left to ripen on the vines for as long as possible, undergo a meticulous multi-step process that preserves their complex flavours. Our specialised ice wine process then elevates these natural sugars, resulting in a truly exceptional wine. This is the perfect dessert wine or after-dinner treat.
